

AMANDA STEINLE

AMANDA STEINLE Development Manager

asteinle@centerpoint-is.com
303.679.6978

Amanda has spent her career in real estate performing land and market analysis, planning, and entitlements. Throughout her career, Amanda has gained experience in public and private sector projects through policy planning, strategic market investigation, resort and residential development projects. She has performed due diligence analysis, coordinated and drafted re-entitlement applications and managed multi-disciplinary teams to support real estate development, including significant public-private coordination with local government agencies. Amanda is a solution-oriented project manager with an outstanding background in client and consultant relationships, business development and project leadership and delivery.

PROFESSIONAL EXPERIENCE

- Planned and coordinated public agency and private sector projects, including market analysis, economic development, land development and comprehensive planning strategies.
- Re-entitled three base village resort properties to support real estate development.
- Conducted market and financial feasibility of developments in various markets within the U.S. and Mexico.
- Created long-term growth strategies for communities with the creation of a comprehensive plan, an effective implementation plan and extensive public involvement.
- Provided distinct community and urban design concepts for large scale planning projects.

EDUCATION

- Masters in Business Administration, Real Estate Development Emphasis, University of Denver, Daniels College of Business
- Bachelor of Environmental Science, Land Planning, University of Colorado, Boulder

PROFESSIONAL AFFILIATIONS

- Urban Land Institute (ULI)
 - Explorer Series Committee Member
 - Partnership Forum Liaison
